Dear Parents/Guardians of Incoming 7th Graders,

You are cordially invited to attend the RHAM Middle School's Orientation and Transition Program for parents/guardians of incoming 7th graders on **Thursday, April 4, 2024 at 6:00 pm in the High School Auditorium**. We will be recording the evening's presentation in case you are not able to attend. Please use the link below for our YouTube Channel where the recorded presentation will be posted later that evening. We will also put the link with the powerpoint presentation on our RHAM MS website and include it in the Raptor Report. This evening is for **parents/guardians only** and will provide you with an opportunity to meet the administration and some staff as they explain the concepts of middle school, team teaching, home-school communication, and many other things.

This orientation is one opportunity in a series of programs that we provide in order to ensure that your child makes a smooth transition into seventh grade. The evening will start off with a general overview of the Middle School transition process and some student/parent expectations. At the end of the presentation you will pick up a packet that has school information including summer work for math and reading, as well as immunizations and physicals. For those who are unable to attend that evening, we will send the packets to your child's elementary school to be sent home with your child.

Additionally, you will receive an email from us on Thursday, March 28th, with our informational newsletter called the Raptor Report (please check your spam folders). Another Raptor Report will be sent to you before the end of the school year with important information for you regarding your child's transition to RHAM Middle School. If you do not receive the Raptor Report, please contact Shelby Gregory (shelby.gregory@rhamschools.org) in the MS Office so she can make sure we have your correct email address. Please also feel free to browse our website for any additional information <https://rms.rhamschools.org/>.

Prior to April 4th, please feel free to call Dr. Seroussi, Ms. Bell or our School Counseling Staff at 860-228-9423 with any specific questions you may have. We are all here to assist you in any way we can!

Sincerely,
Michael J. Seroussi
